# Leveraging Community Partnerships

---

# ICEBREAKER Questions

---

- What do you want to learn from other communities on this topic?
- What community groups or organizations is your municipality already tapped into, and how do you partner with them currently?

# Discussion Questions

---

- Which individuals or departments in your municipality have the strongest relationships with outside organizations?
- Which populations or demographics are you most connected with in your community? Which are you least connected with?
- What is needed to strengthen these partnerships moving forward?

# Other Items

---

**Next Meeting:** Human Relations Commissions, March 11<sup>th</sup>
